

SPONSOR A PBC MONK OR NUN

Due to the kindness and generosity of our PBC sangha and friends, two oases for the Nyingma lineage have been established in Sarnath, India, where Buddha Shakyamuni gave his first teaching after his enlightenment. It is the Venerable Khenpos' wish that these two institutions be thriving centers to continue the teachings, practice, and culture of Tibetan Buddhism, strengthening the lineage now and ensuring its continuation in the future. Your support of a monk or nun gives you a strong connection to these noble activities, and your patronage is deeply appreciated.
